

## Career Center

(303) 273-3233

The Mines Career Center strives to support Mines students and recent graduates in reaching their career path goals by serving as the bridge between employers and students.

With access to hundreds of diverse employer job postings, career and industry events to provide networking opportunities, and career assistance in the form of job search advice, resume and cover letter reviews, salary negotiation conversations, practice interviews, and more, Mines students can build confidence and gain tools and techniques useful to evaluate and pursue career opportunities.

There are multiple ways students can get in contact with the career center

- Students can request appointments [via DiggerNet](#)
- Advising drop-in hours: Monday – Thursday, 1-4pm
- For career document reviews please send to [CareerDocs@mines.edu](mailto:CareerDocs@mines.edu)
- Email or leave us a voicemail: both are checked regularly.
- With additional questions, use the [Raise Your Hand form](#)
