THRIVING CAMPUS
mines.thrivingcampus.com

Thriving Camus provides a means of finding off-campus mental health care. It allows you to browse and filter through providers based off your needs and preferences. Sometimes the Counseling Center may refer you to off-campus mental health care. If you know you would like to see a provider outside of the counseling center, Thriving Campus helps you to find one.

Filters include:
- Setting (in-person, telehealth, etc.), Practice Area (addiction, depression, etc.), insurance, Apporaches, Gender, Language, Race, Sexual Orientation, Religion, Age Groups, and Community Expertise

How do I look at providers covered by the Student Health Insurance Plan?
- SHIP includes UMR, United Behavioral Health, United Healthcare, and United Healthcare StudentResources insurance options.
